

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-143

Judge:

Complainant:

ORDER

August 20, 2020

The Complainant alleged that a justice of the peace made improper rulings in an eviction action.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 20, 2020.

Every time we tried to state our case and show were city was closing down the house. the attorney would call us liars and state what we were stating was lie without looking at what city had written about the Rental Property. we never got our money back and we had to put a stop payment on casher check when the complaint was filed Administrative Pro team took over and stated that Judge could not ever hear any more case that pretains to OR that another Judge would have to hear it. the will tell you the same thing. Judge AS A way of getting back at the sign the order to evit us out of our home with the notice being filed by for not evit by sheriff / constable with doctors order for under doctor care with notice for
