

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-147

Judge:

Complainant:

ORDER

November 10, 2020

The Complainant alleged that a justice of the peace associated with a drug dealer, fixed criminal cases, and “sells himself for very cheap!!”

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on November 10, 2020.
