COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-204

Judge:

Complainant:

ORDER

November 10, 2020

The Complainant alleged a pro tem justice of the peace infringed on his First Amendment rights.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on November 10, 2020.

On, _____ and _____ I was in public engaged in First amendment activity of recording. I was stalked, harassed and assaulted. I recorded the whole thing. The police gave my name and information to the people who assaulted me. The people filed an Injunction of Harassment against me. I fought it in _____ courtroom. It was denied _____ case number _____ because the plaintiffs failed to make their prima fascia case. On _____ the sheriff came to my home, took me out of my home, put me in cuffs, arrested me, threw me into the back of a hot cruiser to stew for violating Judge _____ court order that she denied in _____ !! My father said I was back there for about a half an hour, I don't know, I passed out from the heat. The misconduct by the judge is that she is ordering me to get fingerprinted, a violation of my fourth amendment rights in the listed case when she has already denied/ dismissed the charges. This is retaliation by the judge because I am a journalist recording a preferred political business here in _____. The sheriff has been sent out to intimidate me on violation of her order, but then its her order that's charged me with the same crime two weeks later for the same incident. Does double jeopardy mean anything?
