

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-234

Judge:

Complainant:

ORDER

January 27, 2021

The Complainant alleged a municipal court judge gave false information to the Commission in connection with a prior complaint.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a), and the judge's request to appear is denied.

Commission members Denise K. Aguilar, Louis Frank Dominguez and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 27, 2021.

There are actions that occur when the Commission issues a Letter of Reprimand to First, cannot accept responsibility for actions that are purely of his own making. He finds excuses and scapegoats. Second, he LIES to this Commission to (try) to mitigate the misconduct. Lastly, he files and/or seeks vicious, malicious and **FALSE** charges to **retaliate** against ME for bringing the misconduct to the attention of proper authorities in the form a grievance.

In blamed the misconduct on a member of the campaign committee.

He also claimed that the robes in the wedding picture were "clerical." He posted the explanation online AND to the Commission:¹

¹ One of the postings cited in the remain on his "see" it.

Intentional? No, he probably can't

I contacted the Superior Court and received the following Marriage Certificate in the posting.

INTEGRITY, even to the Commission on Judicial Conduct, IS LACKING. But then, that is part of the willful pattern of MISCONDUCT.

also files charges against his twistedly perceived adversaries. He included specifics in his "response" to the . He did go to the (local) and made a statement against me, including regarding a letter that used an expletive regarding his wife. He, however, did not bring the letter to the Deputies...guess he had to do more work on it...

In a statement to a local newsletter, he stated that he filed " charges against me with the . He also included the CJC in his complaint. !!

So, **BLAMES, LIES, and files FALSE CHARGES.**

He did the same thing with . He likewise blamed an anonymous that turned out to be a " " member. He LIED to the Commission by FALSELY claiming to be a PART TIME justice of the peace, while receiving FULL-TIME pay and benefits:

In the _____ :

This Commission did NOTHING regarding this blatant LIE to avoid the rules regarding campaigning restrictions on a judicial officer.

Just after _____ came out, _____ filed charges against me for bumping and threatening him within seconds of _____ hearing that his job was OVER at a _____. I reported this to the Commission MONTHS before he filed the charges and it **was** _____ that **bumped ME...** However, in that e-mail thread, I declined to have it included in another complaint, as it was _____ over-reacting to hearing about a very stressful job loss.

_____ has done this before against _____ after his demotion for _____ acts of misconduct.

And... _____ who found that _____ who had an assault charge dismissed against her by _____ was spending her nights at _____ home. (See addition at end of this letter).

_____ has _____ (and _____ Letter) issued to him by this Commission, a " _____ " unmatched by any other judicial officer in the State. _____ does not have the character to "serve" as a judicial officer or law enforcement officer in this, or any other State.

I cannot afford to have more FALSE criminal charges filed against me, so I ask that the Commission do whatever it can to prevent _____ from being inflicted on the residents of Arizona.
