

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-236

Judge:

Complainant:

ORDER

October 22, 2020

The Complainant alleged that a superior court judge exhibited bias, was rude, and ruled improperly in child dependency proceedings.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Joseph C. Kreamer and J. Tyrrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 22, 2020.

_____ has given the order to keep my son in state custody. I have not committed a crime to give her jurisdiction over me. She is biased against me due to her being involved in taking my wifes older daughter. She is rude to me and my wife. Her tone of voice shows it. She is overly friendly with the other party in the case. I proved in court and on the record that _____ used perjury to gain a removal order and told the to cease and desist and _____ still kept my son in state custody. Her bias alone is cause for her to dismiss herself from my case. My son has irreversable injuries from the foster care due to absolute neglect and I have reported this to the judge. She ignores my concern of actual neglect of my son. It is clear she is using her position as judge to traffick children here in Arizona. She is guilty of Judicial misconduct, Abuse of power, Deprivation of rights under color of law, Rackateering, conspiracy

My son was _____ old when he was abducted by _____. They used perjury to obtain the removal order. I have proven this in court and my son still has not been returned. It is my fundamental right to parent my child. Also _____ held a hearing without my knowledge and no respresentation for me present and ruled that I cannot post my sons pictures or say his name online. This is a direct violation of my freedom of speech
