

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-249

Judge:

Complainant:

ORDER

November 25, 2020

The Complainant alleged a superior court judge violated a defendant's constitutional rights.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Gus Aragón and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on November 25, 2020.

I'm filling this complaint against my fiancée on behalf as judge found probable cause on phrured evidence that she knew was purjured as she just viewed evidence that proved the states only witness committed perjury three times and the evidence proved was innocent was at the judge is guilty of violating right to due process as the 5th amendment holds that a decision maker must state on the reso cord why she d evidenceshe replied onto make it insuch determination she did not do either due to the fact there was no evidencethat indicated committed a crimewich admitted under oath that none of the evidence indicated indicated committed a crime the judge was predisposed to find probable cause and also is guilty of violating 18usc232d deprivation of rights under color of law as she deprived of her right to fair and impartial court proceedings also abused the process as the preliminary minairy hearing was illegal due to the fact that the initial complaint was vdismiss d due to grand jury inditement then the inditement was remanded for redetermination for probable cause there was no new complaint filed or no new inditement so how could there be a preliminary aairy hearing without a complaint there couldn't be it was illegal and the judge went with it anyway as she was predisposed to find probable cause I was present at the hearing as I was suppose to testify bit the judge stated she don't need my testimony as she found probable cause the judge also violated right to a fast and speedy trial when the judge ignored our pleas that time had expired for the prosecution to try as she has been in custody now and trial has yet to there fore constitutional rights to due process is being violated now. my phone number is and my email is thank you
