

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 20-295

Judge:

Complainant:

ORDER

January 13, 2021

The Complainant alleged a traffic hearing officer failed to notify him of a trial date and later improperly refused to set aside the judgment.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 13, 2021.

When I got a ticket for no seat belt I called to inform the court that I would be pleading not guilty, I was informed to go to the website and fill it out, which I did, I then recieved an email stating that I would be notified in 30 days by email when my trial date was, I waited for a response then on _____ I received an email stating that the trial had taken place that I defaulted was found guilty and to pay a fine of _____ dollars. I immediately emailed the court and informed them that I had not been contacted no response from the court so I called lawyer and he told me to file a motion to set aside, which I did, still no response from the court. According to the judgment I received by email if I don't pay the fine by _____ my license will be suspended. It is very clear to me this judge deliberately worked it out so I would miss the court date so he could collect fine money, cover for the crooked cop (i can prove the cop had no probable cause to stop me and the seat belt violation was made up) I have filed a complaint to the FBI charging judge _____ with violating my civil rights, specifically title 18 section 242 and the 14th amendment
