COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-111

Judge:

Complainant:

ORDER

October 6, 2021

The Complainant alleged a superior court judge entered unfair rulings in a family law matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member J. Tyrrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 6, 2021.

I found it really unfair what judge did.
He did not put my daughter safety first, he gave the father visitations when hes an and does not know his limits when he and gets . I provided all the prove that was need. Also when judge was going to email all the paperwork to the lawyer he added way more than what was even discuss in court or even brought up. He did sign to it when I never agreed to it. My lawyer also had told me that % was never discussed when we had our court date. I already fear for my daughter safety, now when he added more to the paperwork, makes me fear more for my daughter. This is wrong for the judge to do so.
