COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-117

Judge:

Complainant:

ORDER

October 18, 2021

The Complainant alleged a superior court judge failed to disqualify himself due to a conflict of interest.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 18, 2021.

I am filing a formal complaint against the appointment of Judge whom I believe has a severe conflict of interest in this case # Judge also has a conflict of interest and obvious bias against proceeding with this extremely important

Judge's Name: County Court) Case Number:
Case Name: Arizona et al v. et al

Attorneys who appeared in the case:
etc.

Witnesses who observed conduct: All parties to case should be aware of Conflict of Interest with Judge Appointment

Comments: Judge appointed new Judge
Judge is the of County of Supervisor,
Due to the previous and intense litigation over the this is highly inappropriate and presents an undeniable bias and conflict of interest to the parties in this case:
Judge and Judge should be recused. In this situation, an Independent Judge must pick a judge to oversee this case.
