

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-136

Judge:

Complainant:

ORDER

October 18, 2021

The Complainant alleged a superior court judge failed to disqualify himself due to a conflict of interest.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 18, 2021.

Judge should recuse himself from the County. He is tainted by his association with his relationship with (conflict of interest.) Furthermore was appointed to this case by Judge the of Supervisor who has done everything to BLOCK this — this is a second clear conflict of interest!

The voters of County demand that Judge recuse himself from this case. He is tainted!
