

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-177

Judge:

Complainant:

ORDER

November 17, 2021

The Complainant alleged that a superior court judge violated the law.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and J. Tyrrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on November 17, 2021.

COMPLAINT AGAINST A JUDGE

Name: _____ Judge's Name: _____

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

These _____ have caused me to lose my _____. We were both the same _____ ("Judge" and I). He is supposed to be a decent, honest, fair guy. However, he was none of those things and literally must have a substance abuse problem or his daddy bought his way thru law school and donated a ton to President _____ to get him appointed. He " _____ " what he " _____ " was the truth of the matter. What he he uncovered was nothing but a neatly woven bundle of lies by my ex-attorney in something that he bungled HARDcore.

"Judge" _____ bought the lies that "Judge" _____ bought from my ex-attorney, dismissed my case instead of inquiring from _____ regarding the lies told against me by my ex-attorney. They are absolute disgraces to the bench/robe and should be immediately removed. They should even be disbarred. It was THAT _____ AND _____ of all members involved. _____ I _____ lied in a minute entry after never hearing from me but hearing from my ex-lawyer lies about me. _____ somehow stated that I, yes ME, was entirely responsible for something that I had absolutely _____ control over. Thus _____ should be immediately removed from the bench as he is a disgrace to the robe as well.

Now there is a permanent _____ with my name on it, disclosing _____ lies about me, both sworn to by the _____ listed in this complaint. I wish that they both would simply DIE. But since they both seem to be of decent health still, the next best thing is for YOU TO REMOVE THEM BOTH IMMEDIATELY FROM OFFICE.

I never met the _____ but those _____ should be best friends because I'm not absolutely certain which one is _____. They are both in contempt of their own respective courts and each others courts as well. And this commission is in contempt of the _____ Court if it refuses or otherwise fails to investigate this matter. And, further, if this " _____ " declines to investigate _____ merely because he is " _____ " then this is an absolutely pathetic, fangless commission, and the state of AZ should change its laws to allow such investigations. If you should be inclined to assist then I shall reveal my true name (not much different than the name on this form, ironically). Otherwise the whole thing has been a waste of my ink, paper, envelope, time, and postage and you all should be ashamed and disband.
