**ORDER**

August 10, 2022

The Complainant alleged that a superior court judge was biased against him, and should have recused from the underlying matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 10, 2022.

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I'm putting this Complaint in because throughout this case the Judge has been very one sided and BIAS. The Judge ruled in favor of the State AT EVERY opportunity. The Judge was very upset about my decision to file special Action on the Ruling of my Dismissed case that was done without prejudice. She braged on the stand about talking to and knowing those Judges and she said she doubts that I would get it overturned. The Judge also said we most likely didn't send the entire Record, including transcripts of all oral arguments. I have been violated throughout this entire case.. I think she should of got off my case when I filed for Change of Judge. I just dont think its fair to stay on my case after you dismissed it due to my Constitutional Rights being violated and then you sign off on the WARRANT to re-file on the same day. Also at the time all this was going on, the [redacted] was about to become a Judge. Nobody, at least I didn't know she was about to become a Judge but I AM SURE Judge [redacted] knew or at least had an idea.
