## COMMISSION ON JUDICIAL CONDUCT

	Disposition of Complaint 21-192
Judge:	
Complainant:	

## **ORDER**

January 19, 2022

The Complainant alleged that a superior court judge had poor judicial demeanor and denied his right to be heard.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Christopher W. Ames, Barbara Brown, and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 19, 2022.
