COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-205

Judge:

Complainant:

ORDER

The Complainant alleged that a superior court judge violated the law.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The Commission approved sending the judge an advisory letter reminding the judicial officer of their obligations under Rules 1.1, 1.2, and 2.5(A) of the Code of Judicial Conduct. The complaint is therefore dismissed pursuant to Commission Rules 16(b) and 23(a).

Commission member Roger D. Barton did not participate in the consideration of this matter.

Judge violated UCCJEA guidelines and denied _____ due process.

Judge never contacted _____ Lawyer (_____) nor did T _____ Ex-wife's attorney know of any date and time for the meeting between the judges to determine jurisdiction. _____ reached out numerous times to get a conference date and time, but _____ never replied back to them via email nor phone. Finally after weeks of trying to get a date, Client and Lawyers found out that the conference took place a week or two back. This was news to the Plaintiff and Defendants lawyers. An order of reconsideration was filed and immediately denied by _____ A Motion to appeal was then promptly filed after, it too was denied by the appeals court for not being done within an allotted window. Keep in mind this is a window that no one was aware of but the judge himself.

Arizona had continuing jurisdiction and valid reasons for retaining jurisdiction but due to the lack of integrity, negligence and accountability of the judge, jurisdiction was given away to the other state. _____ even tried to cover his actions by requesting documentation of proof, just so he could make it look like he covered his bases when in fact he kept no one in the loop. _____ sheer disregard for the policies and procedures has cost client over _____ n legal fees.

If it were possible to sue _____ for wasted legal fees Client would have done it. Unfortunately bad judges get away with this and are immune to civil suits. I am hoping that the AZCourts will investigate and provide a corrective action rather than excuses. This Judge SHOULD NOT BE A JUDGE, he cares not _____ only his own paycheck.
