**ORDER**

December 15, 2021

The Complainant alleged that a superior court judge held secret tribunals and violated the law.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on December 15, 2021.

Commissioner of Judicial Conduct

My name is \_\_\_\_\_ and I am in \_\_\_\_\_  
of \_\_\_\_\_ County for implicitly following the  
revised terms ( \_\_\_\_\_ ) of \_\_\_\_\_ with  
County. I was \_\_\_\_\_ on what I perceive as  
illegal bench warrant from \_\_\_\_\_ and Judge \_\_\_\_\_  
Address used was \_\_\_\_\_ not  
house and for fail to report \_\_\_\_\_ terms after notice  
probation was dropped, " \_\_\_\_\_ (not previous \_\_\_\_\_"  
with address) \_\_\_\_\_ after release from \_\_\_\_\_ was  
seeking bench warrant, with fictitious address & repealed terms.  
Judge \_\_\_\_\_ conducts secret tribunals. My  
Video PTR arraignment lasted \_\_\_\_\_ According to the  
Court minutes, formal reading of charges waived, appointed  
Council made \_\_\_\_\_ pleas, on my behalf. On unknown charges  
and without my knowledge or consent. It was over a  
in \_\_\_\_\_ that I found out in \_\_\_\_\_ for the \_\_\_\_\_ in  
liev of \_\_\_\_\_ for \_\_\_\_\_ I did \_\_\_\_\_ (by \_\_\_\_\_ )  
term for. Have been threatened with double jeopardy  
fear for class \_\_\_\_\_, attempted complying with \_\_\_\_\_ and  
a \_\_\_\_\_ prescription and \_\_\_\_\_ Prosecutor  
and \_\_\_\_\_ & \_\_\_\_\_ deny repealed \_\_\_\_\_ and  
both defense attorneys have failed to provide evidence on my  
behalf from either \_\_\_\_\_ or \_\_\_\_\_ files, for over \_\_\_\_\_  
\_\_\_\_\_ was scheduled for \_\_\_\_\_ hearing, again on no  
clear charges and what I'm told by \_\_\_\_\_ & \_\_\_\_\_ change  
every \_\_\_\_\_ Arrest warrant application, fail to report. Fail to

Call and report, Fail to Call, Closest to reality  
 by document I signed in  
 I did call, repeatedly, and after no return, no visitation by  
 I assumed, after of compliance  
 and law abiding behavior, I was on unsupervised  
 On defense still failed to obtain  
 proof of dropped and revised terms. Without my  
 prior knowledge or consent had a secret  
 tribunal in Judge court, to rule on  
 me to rehab, the program. I thought my case  
 was dropped by not being brought to own trial/hearing.  
 No clear charges, held without bond, etc. Easy win. Wrong.  
 I was denied right to cross examine witnesses  
 who I feel will not deny reality of dropped  
 I cannot fathom the Court of record and of rule 27  
 jurisdiction didn't receive revised terms as I did in  
 early. I allege denial or open destruction  
 of my innocence after the secret tribunals & denial of basic  
 constitutional rights. I have written the Arizona  
 and (for conspiracy and conspiracy to kidnap) and  
 only been assaulted, threatened & intimidated more by  
 Staff. Grievances are not returned, their own protocol is  
 ignored.

I have for the expected heavily minutes  
 from heavy cases invited to and decisions made on my  
 behalf without knowledge or consent. After of demanding  
 copys from I wrote the To hold a  
 secret tribunal, threaten me with double jeopardy "

in , again, for same charge allegedly violated  
 probation in lieu parole ( vs remaining % )  
 and if do 'rehab' will be dropped.
