COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-285

Judge:

Complainant:

ORDER

February 9, 2022

The Complainant alleged that a municipal court judge lacked jurisdiction to hear and consider his case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Christopher W. Ames and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 9, 2022.

Dear Duty Agent

I am contacting the Arizona Commission on Judicial Conduct over a default judgment regarding Complaint # _____ from the _____ COURT, a traffic violation dated on _____. I wanted to complain about a _____ for not honoring my Special Appearance letter that I submitted to the Clerk of Courts on _____ moving forward without first proving jurisdiction on the record and also taking away " _____ " without proper due process of law. I also wanted to complain about a officer _____ badge number _____ for pulling me over illegally and unlawfully to obtain a conviction.

On _____ I hand delivered my Special Appearance letter to the court and waited for them to respond. The court date was scheduled for _____ and did not receive anything from the court. On _____ I contacted the court VIA phone to inquire about the status of the case. I was told by the clerk that the magistrate denied my letter (attached) and allegedly sent a letter but was returned to them without reaching me. Finally stating that on _____ the case defaulted and that I owe them \$ _____ plus for said default.

I would like to reflect that

1. _____ COURT never proved Jurisdiction over me on the record so the court could not proceed without proving it first. "The Law provides that once the State and/or Federal Jurisdiction has been challenged, it must be proven" Maine v. Thiboutot 100 S Ct. 2502 (1980)
2. I _____ nor (_____) the corporation was never obligated to appear (formally submit myself to the court) to court because I

never signed the traffic ticket and I don't have any contracts with the STATE OF ARIZONA.

3. The court denied me Due Process of Law to obtain a default judgment in the name of the legal fiction _____ to illegally and unlawfully “ _____ ” before I could contract with the STATE OF ARIZONA to obtain a Drivers License.
4. I also want my right to Subrogation to prevent the court from selling debt as debt, because selling the debt to a collections agency and securitizing the ticket making it a Debt Instrument with the court will write off and get _____ (the legal fiction/corporation) to pay the instrument.

With the facts stated above I want to prove to the Commission that the Court has a void judgment and I want all fees and penalties removed from

Thank you for your time and peace to u and your family.
