COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-300

Complainants:

ORDER

May 18, 2022

The Complainants alleged that a superior court judge displayed racial bias, poor judicial demeanor, made incorrect legal rulings, and denied an individual the right to be heard.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 18, 2022.

I am the guardian of
also her mother. I wanted to report what
this judge is racial profiling my family and
he is very condescending, rude and has
been seen in court humiliating my
daughter of whom has mental health
disabilities. I think she deserves to be
treated like all human beings. She has
a right not to be mistreated by a judge or
anyone on her panel. The lawyers
say this judge is continually rude
and uses his powers to control. This is not
very ethical. He is very biased and will
not allow facts into court he only listens
to _____ and never lets us get any words
in. He yells, talks down to people and is
very unethical and lacks the proper edacacy
that a judge should uphold.

I feel as if he is prejudiced against my family and he does not ~~at~~ like us and we have never done anything to this man. You can go back to court dates and witness his yelling condescending voices and tones. I have been to many courts and I have never witnessed a judge ever act in his stature, if he is prejudiced he should not be on any panel. I also don't agree with how he treated ~~me~~ ^{my daughter} in ~~my~~ ^{her} last court hearing neither did my attorney. He also would not make follow up on any orders that he set in court. He let them do whatever they wanted to. I am afraid my ~~grand~~ daughter is a part of some kind of a scheme & I am just about ready to call the news on.

My mother turned in finger ~~print~~ ^{print} clearance faster care, parentery classe she would not give her my daughter. But she has custody of my younger son which shows they are doing something terribly wrong he also favors ~~all~~ in every decision which

Shows something is wrong when i've provided
every thing need for my mother to care for
my daughter several times.

showing favour to all other parties

Judge

Is very disrespectful in court, he is rude, biased and for some reason has something against my which I presume ~~to~~ to think is my color of skin. This judge for some reason ~~only~~ sides with he has yet to accept my guardianship papers for my daughter, the letter she signed stating she wants me to have custody. Several ~~lies~~ that are in the ~~file~~ file that he won't recognize like my fingerprint clearance card, my parenting classes, etc. He is very mean and rude and lacks the proper ethics and edicary that a judge should distil. He was very rude to my daughter at her last court hearing and he humiliated her which is undecaptable, he should know how to treat people or else he should not be in this profession. My next step is contacting the news stations something needs to be done about the nonsense at and these prejudiced judges, He will not give me custody of my grand daughter but another state gave me ~~Custody~~ custody of my grandson so there is no reason why he shouldn't →

I feel as if my granddaughter is a part of
the scandal going on & I plan to
get to the bottom of it. If it takes for me
to publicize it nationally. Someone is going to
start helping us grand parents. There are plenty
of children that need homes why take a child
whom has a willing family. Family is supposed
to be first Resort. Period!

I feel as if he shows favor to all other
parties so does my daughters attorney.
They have already take 2 1/2 years away
that we can never get back. This judicial
system should be ashamed of whom it has
overseeing others. God will Prevail!
