

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-306

Judge:

Complainant:

ORDER

March 23, 2022

The Complainant alleged that a justice of the peace had not ruled on a pending matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 23, 2022.

Our attorneys filed for eviction notice at the property _____ for Unit _____ for non payment. Tenants didn't show up to court and judge granted the eviction to proceed. During this time, the tenants filed for CDC moratorium protection to avoid being evicted. As of _____, Supreme court ruled the CDC moratorium unconstitutional so evictions can proceed. Our attorneys have filed for the writ the following day on _____ and we still have not received a signed writ to proceed with evictions.

While the judge is buying these tenants time, the tenants are destroying the property and causing us financial harm. Please sign the writ so the constable can move forward with the lockout. Thank you.
