

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-318

Judge:

Complainant:

ORDER

March 30, 2022

The Complainant alleged that a superior court judge incorrectly ordered him to undergo drug testing, yelled at him, and discriminated against him due to his economic status.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Christopher W. Ames and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 30, 2022.

Judge ordered me to take a drug test for no reason at all no evidence that i was ever on drugs. I agreed to take the test but informed judge i was unable to pay because i havent got im not rich and actually the opposite i am poor. So he yelled at me to stop interrupting even though i didn't interupt him which was rude of him in the first place to yell about something i didn't even do and on top of that he discrimiated against me i feel because i am poor. i should be given an equal oppertunity to proof just like somebody that is rich something to the court and i feel i am being treated ufairly because i am unable to proof i am not on drugs because dollars is just something i dont have lying around and if that is the only option i have its no a fair decission this is just wrong to expect something of somebody that is DISABLED ON AND A FIXED INCOME doesnt this judge have a grandmother that is on a fixed uncome does he not understand what that means if not please educate your judges thank you.
