

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-327

Judge:

Complainant:

ORDER

June 10, 2022

The Complainant alleged that a superior court judge violated Rules 1.1, 2.2, 2.3, and 2.5 of the Code of Judicial Conduct.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 10, 2022.

CASE

To Who it May Concern—

Every Friday for the last two months, I have gone with my daughters, my husband and my nephew to pick up my granddaughter for visitations that never took place. It irks me that law administered under Judge _____ is not fair, honorable or just. It is emotionally abusive and criminal. Why are we being charged a ransom to see an illegally seized child? Where is the hearing to suggest my daughter even did anything wrong at all?

Last year I watched my daughter with terminal cancer get maliciously prosecuted and mentally abused for just one parenting time visitation violation while my estranged son-in-law has been allowed to get away with attempting to take her life, fraud and forgery and excessive court order violations without any intervention from this extremely passive and unfair judge. This judge is so untruthful and dishonorable that I have yet to hear one factual statement to come from his mouth. Nothing he writes is grounded in fact or reality and just because we have a _____ does not mean we do not have rights or an education. This judge has made fabrications about my family without allowing us the right to be heard. Every time we were told we would be speaking on an assigned day, my daughter would not be given the podium as a self-litigant to ask us questions or the hearing would be canceled, or shortened without proper notice. Hence, it has become clear to all of us that this judge's intentions have never been honorable and to address this man as being honorable would be the biggest lie in the world.

Patently waiting for justice,
