

State of Arizona  
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-347

Judge:

Complainant:

**ORDER**

June 24, 2022

The Complainant alleged that a justice of the peace heard a case despite a conflict of interest and improperly said he would not consider information from the internet and nevertheless did so.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Christopher W. Ames and Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 24, 2022.
