COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-360

Judge:

Complainant:

ORDER

December 22, 2021

The Complainant alleged a superior court judge was biased against him and failed to exercise appropriate administrative authority.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 22, 2021.

Judge -- Judge for County
The Judge has over and in
County

Judges in Arizona take on duties and serve as the officer of the
courts in the county, overseeing of court business.

This includes supervision and overseeing Court Judge

See attached Complaint against Judge CJC Case No.

Judge has clearly violated Judicial Canons with her partiality and bias.

Canon 1. A Judge Shall Uphold and Promote the Independence, Integrity, and Impartiality of the Judiciary, and Shall Avoid Impropriety and the Appearance of Impropriety.

Canon 2. A Judge Shall Perform the Duties of Judicial Office Impartially, Competently, and Diligently.

Judge actions appear as very vindictive for a previous CJC complaint against her friend across the hall -- Judge This rollercoaster ride is designed by and this Court, Judge to dismiss Plaintiffs case or financially sanction the Plaintiffs into submission for simply stating the TRUTH – This case is admitted breach of standard of care and admitted causation of major injuries. (victim) will never see a fair and impartial trial. life is destroyed by this obvious negligence and these obvious injuries and yet having to further witness, watch this tragic court injustice play out.
