**ORDER**

May 18, 2022

The Complainant alleged that a superior court judge had not taken his case seriously, failed to make fair and timely rulings, allowed the opposing party to violate his rights, and made incorrect legal rulings.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 18, 2022.

Every since the defendant has been pro-per Judge \_\_\_\_\_ has refused to take my status and my situation seriously.

He has refused to make fair and timely rulings on my motions and has allowed the prosecution to continuously violate my procedural and constitutional rights.

Judge \_\_\_\_\_ is only for the prosecution and deny's all my motions without and factual and legal basis for doing so.

Overall I cannot depend on a fair trial if he continues to abuse his position and power by not allowing me to use the law and get a fair ruling when such a ruling is warranted.
