**ORDER**

April 13, 2022

The Complainant alleged a superior court judge had violated his right to a speedy trial and that the judge allowed his counsel to be ineffective.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Louis Frank Dominguez and J. Tyrrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 13, 2022.

I believe judge has let my 5th 6th and 14th Amendment be violated by him self and my Public Defender. I understand whatever I do not challenge or object to will be considered legal and a harmless error on all sides. I've been expressed to my Public Defender. I don't want to have anymore of my time and would like to just forth to trial. That was in my Public Defender. I went to court and was not present and I personally had the judge. There his clerk forward a copy of my request and everything I am requesting before my trial. Now it's and I have not had a right to be present at any of my so-called court dates. letter I still have not received the right to speak at court. I even written and sent Judge a letter and express to him I am requesting an emergency status conference A.S.A.P. I am available. He comes from court and has no authority in his court room. I have several witnesses

Who still needs to be interviewed and he has not even touched on the issue. I've been in here for \_\_\_\_\_ for a crime I did not commit and all of my due process rights are being tampered with and the judge is just sitting comfortably with his Colona Virgo Mask on and let of violations happen in his court room. My 5th Amendment has been violated by Judge \_\_\_\_\_ he is letting my Public Defender practice ineffective acts. My 4th Amendment has been violated due to my \_\_\_\_\_ I fast and speed trial rights has been not acknowledged. Nobody assume if I want to waive any time for \_\_\_\_\_ months and by the time I go to court on \_\_\_\_\_ it'll be almost \_\_\_\_\_ months since I've been afforded the opportunity to go to court. Also he's not saying anything to my lawyer for his lack of investigative, interview and giving me all of my discovery. How is all of this possible? There has been no progression since my lawyer has been on my case and the judge does not correct him. I am requesting every interview transcript I am requesting a DNA swab test. I want finger prints and DNA done on the pipe syringe and taser that was found in my car. I am requesting a drug expert to

Linker

Explain to my jurors how some one who's on multiple drugs and been up for days can be 'dillusional'. I want trace D.N.A. done on clothes. I want Cell Phone extractions done. I want my lawyer to track down a key witness.

I've been requesting things and my lawyer is not responding to my requests. I also want to personally hear the victim's interview and I want it transcribed.

I also want ~~of~~ copies of all of the pictures that were found inside my car, in color not black & white.

I have requested everything through my lawyer and he's half way with everything like it's such a problem to give me what I am requesting. I have not had any time to put nothing OTR because I have no right to be present at court.

Requesting a new Judge, Also.

Sincerely Yours
