

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-379

Judges:

Complainant:

ORDER

June 24, 2022

The Complainant alleged four judicial officers had taken bribes to rule against him.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Christopher W. Ames, Colleen E. Concannon, and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 24, 2022.

ATTACHMENT

Herewith find the legal arguments section of the legal brief I filed last week in _____ County,
On the included thumb drive, I have attached the entirety of brief including more than
pages of documents and evidence and expert analysis. These materials prove the following:

On _____, my then _____ year old son, _____ was kidnapped by
his maternal grandmother, _____ I was and remain married to her daughter,
Both _____ are currently under investigation in multiple
states for racketeering activities

That which has occurred in the County of _____ and in the City of _____ is an
embarrassment. I have not seen or heard from _____ since _____
because two judges were bribed in a falsified dissolution procedure and two additional judges
were bribed to permit the creation of falsified Orders of Protection and to then allow the same to
be uploaded into the court databases.

The Judges who are the subject of this Complaint include:

The issue: Acceptance of bribes through paid to these judges through phony mortgages.
Currently, multiple judges in _____ Courts and _____ Courts throughout Arizona are
taking bribes through the mortgage scheme. Currently, I am concerned with that which occurred
to me in the following case number:

- 1.
- 2.
3. Multiple City of _____ cases for alleged violations of the falsified Orders of Protection.

Conclusions based on the evidence:

- a. That more than one hundred public officials, including judges, police officers (see Declaration of _____) and related officials, are accepting bribes through the _____ Mortgage Scheme _____. Here is how it works: bribes are paid through phony first trust deeds (mortgages) on properties purchased by intended bribe recipient. The "mortgage" companies are real _____ or corporations but are set up specifically for the purposes of moving the bribe money.
- b. That the initial Petition for Dissolution of Marriage allegedly filed by _____ is a forged signature. The signature belongs to _____
- c. That all _____ orders coming from Judge _____ courtroom since he took over the case in _____ are forgeries;
- d. That _____ has been taking bribes since at least _____ -BEFORE he was appointed to the bench. This is a common practice as many of the public officials are bribed before they take their appointed or elected office. That especially includes judges;
- e. That the "signatures" on the divorce Decree dated _____ are graphics and do not belong to _____
