

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-399

Judge:

Complainant:

ORDER

May 25, 2022

The Complainant alleged a superior court judge had prevented her from being reunited with her children based on the lies of the father of the children.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Christopher W. Ames did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 25, 2022.

Thank you!

Hello,

I am currently, In a custody battle where the Judge has given my children abusers sole decision making. This is due, to me not being able to complete an informed forensic psychological evaluation. I was unable to afford this evaluation at the time during our trial. There has been no evidence of these accusations and allegations were created by me. Yet, my daughters are still waiting to be reunited with their mother. I have tried everything to get my daughters out of this abusive environment. However, I have been denied. Since, the Judge made this order. I was able to complete the court ordered evaluation On

Yet, the Judge have not returned my daughters back in my care. Again, these abuses have been proven they were created in Father's care but Father dishonesty has allowed him to keep the children. Father's goal was to force me to pay him ChildSupport, back ChildSupport and his attorney fees. I have not done nothing but be mistreated and punished for years while, the children been in their abusers care.

I need help with this situation. Since, I have been representing myself.

P.S

I filed an appeal to the Judge's decision. I have not received no response back, yet.

Thank you for reading this email.
