COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-404

Judge:

Complainant:

**ORDER**

May 25, 2022

The Complainant alleged a superior court judge made an inappropriate comment during a hearing and should not have had her children witness her being handcuffed and taken to jail on two occasions.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Christopher W. Ames and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 25, 2022.

The motion will tell you as I told \_\_\_\_\_ exactly why his court antics crossed the boundaries of judicial misconduct. The dismissal of my Motion for \_\_\_\_\_ to clarify his ex-parte, out of his professional capacity, and highly prejudicial appearance of impropriety, came from his recent replacement Commissioner \_\_\_\_\_

I have no reason to believe she did or didn't pass on my motion to \_\_\_\_\_ at some point when before she denied my motion, but if she did then \_\_\_\_\_ has another question to answer about his lack of interest in his oath of office or the people of \_\_\_\_\_ County who demand all elected officials especially family court judges to be fair and impartial and follow the rule of law. Without public trust judges need to be removed from their position or the judicial system fails everyone.

Thank you for that unexpected timely response, I appreciate it.

Good morning Ms.

The Commission is in receipt of your complaint form against Judge \_\_\_\_\_, in which you reference a motion that was denied by Commissioner \_\_\_\_\_ Can you please elaborate on what actions were taken by Judge \_\_\_\_\_ that you believe constitute misconduct? Thank you.
