

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-407

Judge:

Complainant:

ORDER

June 24, 2022

The Complainant alleged a superior court judge was discourteous, impatient, and did not afford her the right to be heard as a pro se plaintiff.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Christopher W. Ames, Michael J. Brown, Colleen E. Concannon, and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 24, 2022.

Judge _____ has shown blatant biases and disregard for applying the law appropriately . He's discourteous, impatient, and does not afford me as a pro se litigant the right to be heard fairly and simply misapplies the law to move the case through the court system. Judge _____ disregards violating due process rights and has no concern for being impartial. Judge _____ has blatantly disobeyed Appellate court mandates in favor of the Plaintiff and refused to honor the previous judges decision in favor of the Pro Se Plaintiff. Bear in mind, the Defendant is represented by a large law firm and continues to disobey the law without any recourse. Even after identifying specific case law of how Judge _____ has misapplied the law on multiple occasions, he continues to misapply the law in order to force the case into arbitration so that the Plaintiff does not have the option to appeal the matter.
