

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-408

Judge:

Complainants:

ORDER

June 16, 2022

The Complainants alleged that a superior court judge had engaged in various acts of misconduct in a family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 16, 2022.

Judge _____ showed absolutely no independence, integrity or impartiality as a Judge of the _____ County Court and AZ Judicial System

In fact made matters worse; gave out legal advice to _____ by telling her that she would appoint someone from the court for my daughter.

I am highly offended by the actions of _____ should be removed not only from this case but also as a Judge.

Just before she ended the case I finally got to ask if the present court order was still in place so that _____ knew and should abide by that.

I also asked for a warrant to be issued to insure that _____ delivered by daughter; _____ said she had no authority to issue a warrant.
