**ORDER**

June 30, 2022

The Complainant alleged a series of improper rulings and bias during a proceeding to terminate his parental rights.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 30, 2022.

### COMPLAINT AGAINST A JUDGE

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Good day,

On \_\_\_\_\_, I was in court on a severance of parental rights case, in which my EX spouse ( \_\_\_\_\_ ) is represented by her father ( \_\_\_\_\_ ). As you can note, this is a huge conflict of interest as he ( \_\_\_\_\_ ) has continually filed unnecessary court documents such as this severance of parental rights without cause or evidence (misappropriation of the legal system), \_\_\_\_\_ is my divorce case which I won and was \_\_\_\_\_ days long and over \_\_\_\_\_ years long.

My complaint is against Judge \_\_\_\_\_ She has ruled inaccurately and created the situation that cause a faulty judgement of her own design. She was advised by the counsel of my children ( \_\_\_\_\_ ) as well as the proponderance of evidence that this case ( \_\_\_\_\_ ) was problematic as it was illustrating the reason it was created (to keep my children away using the legal system). Furthermore, there is so much evidence of the malicious effort ( \_\_\_\_\_ ) to keep my children away using the legal system. There are multiple reports, and even the case judgement that has and does rule in my favor.

Now Judge \_\_\_\_\_ knew all this information, advised by \_\_\_\_\_ and advised by my counsel. She also advised directly my counsel to use chapter 11 to file the "dismissal with prejudice" and process for awarding attorney fees for this illegal use of the legal system. She ( \_\_\_\_\_ ) advised on this effort and did rule with our hearing our arugment event though she outlined it.

Her \_\_\_\_\_ in trial on \_\_\_\_\_ didn't rule using the merits of my case, evidence or advise of counsel. She allowed \_\_\_\_\_ to get away with thier actions. I believe Judge \_\_\_\_\_ should be reprimaned to the fullest extent of the commision.

What has been happening with my case is represhensible, the ability of Mr. \_\_\_\_\_ to illegally use of the legal system to get away with filing false documents and using the superior court system as a manner of manipulating judges is appalling. There has and is two appeals that have been filed along with the above mentioned cases.

Judge \_\_\_\_\_ should have ruled accordingly and she absconded her responsibility to her duties. I believe she would anticipated an appeal on her ruling as it is evident and she can see how Mr. \_\_\_\_\_ has advocated for his daughter by continuing the appeal process. So she ( \_\_\_\_\_ ) absconded her responsibility with malicious intent on doing me harm while saving her record. She advised my counsel incorrectly and didn't hear arguments that she advised incorrectly. Please look at the evidence and record for this matter as I have bore the brunt of this malicious judgment. This is why she should be reprimaned.

I have continually won legal fees as a result of opposing sides behavior, this should have been the same outcome and it should have been dismissed with prejudice.

Please feel free to contact me or any of the attorneys
