

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 21-424

Judge:

Complainant:

ORDER

July 7, 2022

The Complainant alleged he was discriminated against during a hearing and that perjury was “promoted.”

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer’s legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Christopher W. Ames and J. Tyrrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 7, 2022.

When a judge celebrates
a hate crime, because the
victim is a pot smoking liberal
not making any effort at all
to confirm victims complaints.
He then makes a cavalier ~~decision~~
decision to victim shame
the abused patient, me

tortured me
for a how, only a sadist
is capable of extending ^{such} pain
At years old I have to
have my septum removed
just to be able to breathe.

A CAT scan clearly
indicates the ~~severe~~ severity
of the permeant damage
done to my nose.

judge with his
astute ability to play doctors
said my nose seems fine to him

He then proceeded to
allow wiggerhorn to perjure
himself again.

judge is a threatening
misguided example of
power taking precedent
over justice.

When he put a
restraining order on me
for the time in my life,
and then nonchalantly
took away my ~~adornment~~
right, ^{adornment}
by ~~to~~ restricting me
from holding a sign that
says ^{my NOSE}

So once again,
lets summarise conti
promotes perjury, covers-up
a hate crime, take away my
first admendment rights

Please send a investagator
to see my nose and look into
my face, and let me tell
the whole story -

warrant a personal ^{interview}
