

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-008

Judge:

Complainant:

ORDER

June 30, 2022

The Complainant alleged a superior court commissioner was biased against him because the commissioner accepted two documents from the adverse party that had smiley faces on them.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 30, 2022.

The Judge accepted two documents on two different occasions that had smiley faces drawn on them.

I believe that our legal system relies on impartiality, which is my understanding why lady justice has on a blind fold over her eyes. Although I'm sure Hon. is a honorable man, that doesn't make him exempt from the consequence of bias. So in my opinion, he either failed to prudently review the documents, which also isn't proper, or he has accepted formal court documents with emotional pictures drawn on them, which even I admit, I enjoy on my napkins but would not believe to cause anything but emotional bias, as evidence of it's common usage as described above. I expected a fair and unbiased hearing, I explained this to my legal counsel, and this issue
