

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-016

Judge:

Complainant:

ORDER

January 11, 2023

The Complainant alleged a superior court judge was biased against him, failed to remain fair and impartial, violated his constitutional rights, engaged in a pattern of erroneous rulings, failed to rule on several motions, and denied him an opportunity to be heard.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Michael J. Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 11, 2023.

Arizona Criminal Law Ethics Has Rendered
Itself A Mockery Of The Justice System:

The Following (as we know) Is not solely an Arizona
Concern; But I feel Arizona can set Precedence
as an example Nationally for a Higher Threshold
for the expectation of All Criminal Defense Law.

The Foundation of Law has been Stood on Its
head; One Is now Guilty Until Proven Innocent.
This has become the Culture, as a Fair Hearing Is
the homicide victim of "Job-Security". Rings dangerously
true doesn't It? [This Is why I Appeal to the Bar.]

Although I do not put my Faith In Man; To lose Faith
In Humanity Is to lose Faith In myself. Though It
should be pointed out, that, State Bar Consequence Is

Not a huge worry to Law Practicing Professionals in this Great State. The idea of reporting Ethical Misconduct is greeted with a smile & sarcastic Mockery.

If truly interested, I'm sure the simplest investigation can support what prompted a Correspondence of this nature...
As well as Justify its existence.

[This is Why I Appeal to the Bar.]

Your Existence, Is there Yes & No; High & Low; Right & Wrong; Stop & Go; of the Arizona, & possible National Judicial System. You [Must] Blind Justice; & not view it as Maiming Her...

The Interpretation of the Constitution & its Laws have been saturated, to now be interpreted as to whatever the State/Prosecution & or [Some] Judge's want them to mean.

This Correspondence is not a Prep for an appeal; Hopefully it is a seed for a Tree which bears fruit of Impartiality; a cure for the plague we suffer that is Bias & Prejudice.

County Arizona Superior Court Judge
, is the representation of Bias
Prejudice, at this stage.

See Attached Claim(s) , 3 I anticipate other Serious Claims to be Forthcoming, unfortunately.
