COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-049

Judge:

Complainant:

ORDER

December 22, 2022

The Complainant alleged a superior court commissioner made incorrect rulings in a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 22, 2022.

My name is _____, I am a _____, I want to file a complaint against
 Judge _____ for the following reasons.

1. First of all, I was never aware of a divorce even being filed even though my ex wife knew where I was as she had a package delivered to me at the mission. I left my home, after an argument and upon arriving back home she had made false accusations and I was told that I could not return to my residence. I later gathered enough money to return to my home state in _____.
2. In my divorce, which happened _____ the Judge never considered the fact that the marriage was never consummated given the fact that she did not relay that information to the Judge.
3. He also gave her 3/4 of the house even though I solely paid every payment for that house from the time of purchase to _____ months after the divorce because I was unaware of the divorce even taking place. I would also like to add that she had only worked _____ months out of the entire time of our marriage.

After all this was granted in her favor in _____ of _____ and I later found out that I was divorced. In _____ My ex wife went back to court and The Judge then later granted her additional years of spousal support and gave her _____ of the house. The Judge has also given me till Mid _____ to retrieve my items. I have tried for _____ years to retrieve my items from the house and as of today I have tried to retrieve my belongings and I had proof of paying a moving company _____ to retrieve my items from the house in Arizona but they were not able to get the items. It has been very costly and time consuming just to retrieve my items. I had some native items from my hometown that were passed down from me from relatives that I had been collecting for over _____ years and I am afraid that I will not be able to retrieve these items or that she has already disposed of belongings.

I feel my divorce was handled very unfairly and one sided. I have never been so disrespected and unvalued as a _____ in my whole life. This is so shameful and to think I put my life on the line for this country.
