Complainant:

**ORDER**

December 22, 2022

The Complainant alleged improper rulings and bias on the part of a justice of the peace hearing an eviction action.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on December 22, 2022.

had me sign, ms                      had me sign a contract that was fraud, judge                      and his staff have  
allowed ms                      to take my property by fraud, i believe the court, judge                      knew that it was  
fraud, ms                      claims she bought the property legally, she did but the way she bought the property  
it was fraud, i know that judge                      knew about it and also his staff, judge                      was really quick
