COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-069

Judge:

Complainant:

ORDER

October 13, 2022

The Complainant alleged a superior court judge violated his rights in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 13, 2022.

Complaint of a forced plea. Commisioner took it on himself to plea on my behalf practicing law from the bench. One of many injustices during this case along. With forcing attorney , violation of 6th ammendment rights to face my accuser and be informed of the nature and cause if the action against me . Aswell as denying my Gid given right to present my case pro per. I believe this equates to criminal conspiracy by the silent acquiescence of all parties. Evil prevails when good men (and women) refuse to stand up for what is right. I have repeatedly asked for cause of action, to know of or face a viable accuser, to know who was harmed beyond the presumption of the arresting officer. I am not an expert In law but as I understand it a man has a right to competent counsel, the right to face his accuser, to be informed of the nature and cause of action brought against him, the right to a fair and impartial jurge, and the right to due process I have been robbed all of these in my dealing with the Court of County.
