**ORDER**

February 8, 2023

The Complainant alleged a justice of the peace improperly issued an order of protection.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Michael J. Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 8, 2023.

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Judge \_\_\_\_\_ abused his position of authority by repeatedly granting Orders of Protection against me, without justification or cause. In doing such, his behavior supports an outward appearance of impropriety. In part, because the orders fall outside of the A.R.S. guidelines which call for a litigants to have had contact with the other party, within six months. For the record:

"an Injunction Against Harassment (A.R.S. 12-1809) is a court order to seek protection from a person other than someone you live with, a person with whom you have no relationship, or a current or former non-family member. Injunctions Against Harassment can be issued for individuals and workplaces. To have an injunction granted or issued:

The defendant must have committed acts of harassment in the last year  
There must be at least two specific acts of harassment committed."

In the present case, outside of legal settings, I have not had contact with Plaintiff, since approximately \_\_\_\_\_ At which time, I exercised my legal right to serve him at his residence for a \_\_\_\_\_ proceeding in \_\_\_\_\_. In retaliation, Plaintiff signed and filed an Affidavit riddled with fallacies to discourage my efforts and cause intentional mayhem. This is a crime in, and of itself. The Plaintiff should be held in Contempt for lying, misleading and falsifying documents,

Even more egregious, Judge \_\_\_\_\_, exercised incompetence, appearance of bias and prejudice, judicial misconduct, Fraud and failure to exercise judicial independence. It's not the first time and THAT'S problematic. Research reflects, in fact, that in \_\_\_\_\_ Judge \_\_\_\_\_ faced punishment by the \_\_\_\_\_ for some of the very tactics he continues to utilize in this case, that is highly unethical and alarming. As such, I am formally requesting a review of all Judge \_\_\_\_\_ cases, a dismissal of this Order of Protection to be denied on its face for fraud, suspension from practicing on the bench- pending permanent removal from the bench.

In light of the above outlined transgressions, I believe, Judge \_\_\_\_\_ is a menace to society who preys on unsuspecting, innocent litigants as a form of harassment and bullying tactics. He must be stopped. Similarly, so must the Plaintiff,

Respectfullu submitted,
