Disposition of Complaint 22-107

Judge:

Complainant:

**ORDER**

September 21, 2022

The Complainant alleged a justice of the peace improperly denied a petition for order of protection.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Christopher W. Ames did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 21, 2022.

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Judge \_\_\_\_\_ displayed disregard for the lives of myself, my children and my family members who are not abusing us. i filed protective orders with the court back in \_\_\_\_\_ and since then since judge little denied to protect us we have been SEVERLY abused, stalked, threatned, harrassed, set up and placed in life threatening danger several times. There has also been a new death and someone is still trving to \_\_\_\_\_ and no one has addressed the issue. Judge \_\_\_\_\_ is not the only cause of this ; the \_\_\_\_\_ are a major cause because they have been ignoring my \_\_\_\_\_ reports, etc. for years and have been abusing, harassing, threatning us etc. not only the \_\_\_\_\_ but the main states that \_\_\_\_\_ are responsible for this illegal , unecesary torture and abuse are : \_\_\_\_\_ some of our protective orders we have had to cancel due to threats and more abuse and deaths but we did not cancel these.

Since we see that whoever is doing this may have access to set people up and \_\_\_\_\_ hem all over the world the safest thing to do is to provide me money to move and protect those who have been repedetdly abused, threatned and whos lives are still in danger right at this moment due to the abuse, neglect , and incompetency of MAINLY \_\_\_\_\_ judges, police, etc.

we have been abused for years and we are so ready for it to stop. people who have an excess in money should not be able to use their money to have other people set up and \_\_\_\_\_. That is why i am reporting this because someone is trying to do this to me.

my emergent beg and plead here today is to be financially compensated so that i can protect myself and my children and family etc. we have \_\_\_\_\_ esidences that need to be relocated to a safe location behind a gaurd or gate and etc.

Evidence has not requested by the judge and since she has chosen to leave us in danger we have been severly threatned and abused and forced to give some of the evidence needed in order for the abusers to conceal evidence of what they have done to us.

we are still in danger and still being severly threatned and need this to be addressed now.

i am avaiable 24/7 by email which i have provided above.

Thanks
