

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-108

Judge:

Complainant:

ORDER

February 8, 2023

The Complainant alleged a city court judge ignored her legal defenses and violated her rights in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Michael J. Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 8, 2023.

case #

I have been wrongfully charged and convicted in county court of counts threats and counts of disorderly conduct on and my was filed on I was scheduled for a case status review twice on and It has been vacated twice This is not a felony charge and I was never arrested. On the court website my case can be found in "Civil" and not criminal cases. I am a victim of "cancel culture" The Judge in Maricopa had sentenced me.

- 1-
- 2- Jail
- 3- unsupervised probation
- 4- Counseling
- 5- Cannot possess a firearm in my personal vehicle or on my person in public, however I am still allowed to possess a firearm at home.
can I possess a fire arm out of the county or state?
- 6- cannot visit any does not specify
any in the county, State, world wide?

This entire case violates my 1st amendment to free speech as well as my 2nd and 8th amendment. This has ruined my life. I have lost complete faith and trust in the justice system. I am an innocent person who maintains a clean record and is a lawbiding citizen. This is extreme cruel and unjustified punishment, this case shall be dismissed and there should be sanctions imposed on the Judge, prosecutor, officer, and all three employees. I was harrassed, bullied, and provoked by the employees, and as a result of my corporate/Ethics complaint of Security Guard on she as well as her fellow employees were offended by my use of the freedom of speech and retaliated against me committing a felony of falsefied police report and falsefied statements at trial. I am not a criminal and want my life and freedom back, and to be left alone from perpetrators of "cancel culture" Please advise me how to move forward from here and restore my constitutional rights

Thankyou
