COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-112

Judge:

Complainants:

ORDER

August 17, 2022

The Complainants alleged illegal or improper conduct by an appellate court judge committed prior to the time of that judge's appointment to the court.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member J. Tyrrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 17, 2022.
