

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-133

Judge:

Complainant:

ORDER

March 1, 2023

The Complainant alleged improper rulings by a superior court judge hearing a family court case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 1, 2023.

Judge is neither fair or impartial. He has issues making sound decisions that are in alignment with Arizona law and what fair and just. I'm the only party bringing Complaint to the court, The only party showing up to the hearing and still this judge will not grant me the relief I've sought and the injustices I faced. In fact the court has done nothing to help me. I will only focus on my last 1st hearings with judge He ~~failed~~ ^{failed} to enforce a Court order that was in place to have communication with my children, without articulating a valid reason. I had to travel to Arizona, use the local Department ~~open up~~ ^{he} call just to get communication that ~~the~~ judge failed to enforce, even when ~~my~~ The other party was a repeated no show.

I had to call the School Board visit the school in
because Judge ~~does~~ ^{does} not want to
make a very simple ruling. ~~That is the ruling~~
This hearing was back in Fast forward to The
hearing on . He failed to act once again
in modification of Child support, The other party no
show, The State of Arizona was represented. Judge
refused to modify child support on an arrears interest
only remaining debt. I think he is over his head
with this position as a Court judge. He has
issues applying the law and it makes him incompetent for
the positions he holds. He is extremely biased and ~~he~~
~~not~~ apply he doesnot make sound decisions in
the totality of the circumstances.

I filed so many actions on this case and did everything
that Arizona law & the paperwork said. I do believe
something is very off about my case and the process
county is following which makes it unfair.

This matter should be investigated thoroughly: no other
person ~~should~~ should go through this.^{GL}
