**ORDER**

March 1, 2023

The Complainant alleged delay and improper legal rulings by a superior court commissioner hearing a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 1, 2023.

I'll be going to prison soon, look me up.  
Hello Commission on Judicial Conduct. <sup>22-142</sup>

My name is [redacted]. I just recently had  
a criminal trial. [redacted]. I had a public  
defense attorney named [redacted] and my judge  
was [redacted]. These people worked to push  
my trial past [redacted] Season, or at least keep me in court  
past the deadline, and just tried to get their associates  
paid with my indigent defense. I think someone  
at the jail closed my bank account. My attorney  
kept all evidence that proves my innocence away  
from the trial, and purposefully selected an incompetent  
jury, whom already had verdicts in mind. They were  
my neighbors, potential killers for my case. And during my  
testimony the judge wouldn't let me speak hardly. I want  
to file a complaint. PLZ investigate them. [redacted]
