

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-158

Judge:

Complainant:

ORDER

March 30, 2023

The Complainant alleged a superior court judge issued illegal orders and refused to acknowledge statements while presiding over a probate case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 30, 2023.

Judge repeatedly villifies me; he would not proceed with the last hearing. He deliberately is not addressing the issues of why we were in the court. Guardians will not let me see or talk to my mother! My mother was being years, so I brought that to the court's attention. My complaint that the group home was administering by that were harming her to refused to acknowledge my statements. Now around my mother was admitted to maltreatment at the staff & doctor's documented that (my mother) was in fact at the home for years. Attending Dr. did not want to release her back there. The Guardians (my brothers) released her there and put her on a sentence. I ask to stop the or get an independent P/s. call me.
