COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-168

Judge:

Complainant:

ORDER

March 1, 2023

The Complainant alleged a superior judge made improper rulings and allowed false statements by an attorney during a criminal proceeding.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 1, 2023.

referring me to an ombudsman office in regards to having a judges order enforced. The Bureau is not laughing. Nor is the ;, complaint . I also notified Governor office (on that his initiative was being disregarded, to no avail. I would like to remind the court of my questioning states witness, detective , about the “practice” of obsconding with the personal property of innocent individuals. I was interrupted by the court with the “law” of how property should be handled. They are all making a liar out of the court by doing exactly what defense was arguing as motive. I now plead with the court for reimbursement for the market value of all my personal property, including my personal medication at treble the amount plus interest. In addition, I ask the court to find and his cohorts, in criminal contempt of court. This policy of don’t snitch in public office is just as destructive as it is in ghettos.
