COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-171

Judge:

Complainant:

ORDER

March 30, 2023

The Complainant alleged illegal and biased rulings by a superior court judge hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on March 30, 2023.

We picked up the exhibits you left in the basket and they are being rejected. There is a proper procedure for submitting exhibits and that does not include just providing a bunch of pictures and a flash drive. I'm including the of the Court Exhibit Submission FAQ link in this email, to help you find how to submit them correctly. I have placed the pictures you gave back in the exhibit basket for pick-up.
