Disposition of Complaint 22-177

Judges:

Complainant:

ORDER

August 17, 2022

The Complainant alleged impropriety in his criminal case on the part of multiple superior court judicial officers.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Joseph C. Kreamer and J. Tyrrell Taber did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 17, 2022.

I think an inmate from the prison.

But I think it because one they are a new I would have, it with me because of breaking at home stealing my drugs & cutting in with soap or something nasty I think

my know wife may have been the original chemist in the process & may have put some on the letter she sent to prison as per her cipher writing & mention of money order & such

But I have concerns of her safety as one neighbor ^{not:} said she would get what she deserves I think
