COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-181

Judge:

Complainant:

ORDER

March 30, 2023

The Complainant alleged a superior court judge made false statements and exerted undue pressure on a defendant during a criminal case settlement conference.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 30, 2023.

This email is in reference to case number I believe this case has been ongoing for a round almost years now with several attorneys and a few prosecutors from the DNA not being a match two witnesses not cooperating judges and this is a concern for this case and the defendant getting a fair trial several of his constitutional rights have been violated has been very biased as well as on a settlement conference where they offered the defendant a plea bargain of years down to stated she observed the case and she knows that the defendant will not be found not guilty she stated to his attorney quote I didn't even look at the case I just told him that to scare him into accepting the plea refuses and has been beyond bias in this case he has not I'm sure reviewed the case as well also stated to the attorneys upon them filing motions regarding the witnesses and the evidence that they supposedly have he stated to them in the last court hearing that they can take those motions up with the Court please please please I am begging for this case to be reviewed by a higher Court
