**ORDER**

March 20, 2023

The Complainant alleged improper demeanor and lack of preparation by a superior court commissioner hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Roger D. Barton and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on March 20, 2023.

My mother was a witness to this her number is her address is

On rote:

To whom it may concern ;

Yesterday at at the court house I had court with Judge  
, my case is case sensitive right now.

The judge was unprofessional as in he did not familiarize himself with my case at all he kept asking for my paperwork which he has. I did answer his questions he kept cutting me off and kept saying that is not what I asked you , he proceeded to tell me I didn't have 50/50 custody with my ex husband on our son I also filed for a warrant on my ex husband in the same paperwork as I have it on my laptop he proceeded to tell me I did not and Judge is who I have seen 99% for this matter I have only seen this Judge twice. He is incompetent to handle my case. I also told him it was a conflict of interest to take this case he still proceeded to set a court hearing for at this all is on record. I do not want this man as a judge especially in my case. I was also asked about trial I said yes and he asked how many I said people he said that's not what I asked you. Then he said can one person say yes to the parenting time I said yes my mother he said that's not what I asked.
