COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-185

Judge:

Complainant:

ORDER

March 30, 2023

The Complainant alleged biased and improper rulings by a superior court judge hearing two civil cases.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on March 30, 2023.

balance discrepancy issue.

The uncontroverted evidence established that a _____ bond has been making payments to the investors that own _____ loan every month. The Bank's agent admitted the existence of the bond but refused to produce information concerning the bond because it claimed this information was "confidential and proprietary".

The judge allowed the Bank to submit into evidence responses to Requests for Admissions denying the _____ bond payments after the party verifying the responses admitted that she had no personal knowledge regarding the subject of each Request for Admissions that she denied.

The judge refused to provide _____ with a credit for payments made by the _____ bond, resulting in the Bank's investors receiving a windfall in double payments. _____ should have received a credit for the

_____ bond payments paid to the investors and applied to reduce _____ principal loan balance as reflected in the Bank's own records. Judge _____ order reversed _____ previous _____ Court judges acknowledging _____ elements had been met. Her reason was that I could afford the double loan amount which is flat out lawless and baseless. Her biased opinion of my finances was used to cause harm against me forcing me file _____ to fight for justice and pay off my home that she wanted

the bank to have. She intentionally made it more than difficult to return my cash bond of _____ promptly due to her unjust order. Additionally, I have reason to believe she is using information from one case to influence another.

A JUDGE SHALL UPHOLD AND PROMOTE THE INDEPENDENCE, INTEGRITY, AND IMPARTIALITY OF THE JUDICIARY, AND SHALL AVOID IMPROPRIETY AND THE APPEARANCE OF IMPROPRIETY.

Judge _____ stripped any integrity to this case and very clearly reflected her impartiality and boldly displayed the appearance of impropriety. This is unacceptable judicial competency and conduct. I respectfully request this Judge be reprimanded and recused from her position preventing irreparable harm and costs to citizens, most importantly myself.

_____ -malpractice suit for misrepresentation in our family's wrongful death case. _____ was violently killed while walking our dog by _____ vice

mayor/councilman _____ adult addict felon daughter while she was on probation for _____, breathalyzer from _____ speeding, distracted, and uninsured. The _____ let her go in

minutes and destroyed all evidence treating our husband and father like roadkill. _____ represented myself and my family in the wrongful death trial that he lied preventing our expert to testify.

_____ said, "He is in a drunk tank and won't be available to testify." This was a lie, he purposely prevented us our judicial rights of a fair trial. This secondary cover up of _____ is unthinkable but true.

Judge _____ has thrown out at least _____ of the _____ claims thus far and has held us in contempt of the court and fining us thousands of dollars when I was told to take an instagram post down within the hour of the hearing. We were not aware we were not able to mention _____ name and there was no

intentional contempt whatsoever. _____ has ruled _____ be paid for expert expenses approximatley

_____ and to collect right away before the case is even heard. This biased and impartiality is here again when we thought it was a conflict of interest for her to be assigned another case while the other one was pending before she used her absolute prejudice against myself and our family for justice.

A JUDGE SHALL UPHOLD AND PROMOTE THE INDEPENDENCE, INTEGRITY, AND IMPARTIALITY OF THE JUDICIARY, AND SHALL AVOID IMPROPRIETY AND THE APPEARANCE OF IMPROPRIETY. The more I read of the 2022 Code of Judicial Conduct the more I could add to this complaint that I expect to be taken with the utmost seriousness. People should be above the law and nobody should be treated like roadkill and allowed a case be corrupted. We are dependant on your legal opinion of Judge _____ violations of conduct and are sickened by the judicial system that should at least allow for some level of integrity to both parties. This is unconstitutional.

Thank you.
