**ORDER**

February 22, 2023

The Complainant alleged a superior court judge made improper rulings when considering protective order petitions.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on February 22, 2023.

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I am filing this complaint and report with the Arizona Commission on Judicial Conduct against the \_\_\_\_\_ County \_\_\_\_\_ Court cases \_\_\_\_\_ and \_\_\_\_\_ of the Court \_\_\_\_\_ and \_\_\_\_\_ Clerk \_\_\_\_\_ jointly approved four illegitimate and illegally manufactured protective orders against me. This report is being filed in conjunction with formal complaints and reports filed against \_\_\_\_\_ County \_\_\_\_\_ Court \_\_\_\_\_ of the Court \_\_\_\_\_ Judge \_\_\_\_\_ Judge \_\_\_\_\_ City Court \_\_\_\_\_ and Judge \_\_\_\_\_ I have attached all formal complaints, reports, and the illegitimate and illegally manufactured protective orders for the reference of the Commission.

I, \_\_\_\_\_ affirm that the information I have provided in this complaint and report is true and accurate.

This complaint and report will accurately reflect the fact that I was framed for an assault charge that I did not commit nor ever intended to commit on \_\_\_\_\_. In turn, this report will demonstrate that the four protective orders, \_\_\_\_\_ are in fact illegitimate and falsely produced court documents containing fabricated information, defamatory and slanderous statements about me, and mischaracterizations of who I was and who I am. In addition, this complaint and report will reflect the fact that I am a mentally stable man with no intentions of hurting anyone and have never had intentions of hurting anyone. Furthermore, I want the record to also reflect the fact that I have strong beliefs in racial equality, human rights, and civil rights for all people of all races and I always have had strong beliefs in racial equality, human rights, and civil rights for all people of all races.

On \_\_\_\_\_ the illegitimate protective orders were written by \_\_\_\_\_ men, \_\_\_\_\_ of whom I was living with at the time, \_\_\_\_\_, and a friend of the group of the \_\_\_\_\_ men, \_\_\_\_\_. Prior to the issuance of the protective orders, I was framed for an assault charge against \_\_\_\_\_, a crime which I did not commit nor ever intended to commit. Following the incident, the group of the four men sought protective orders against me so they collectively went to \_\_\_\_\_ County \_\_\_\_\_ Court, picked up protective order forms, provided false testimony and lies, slanderous comments, defamatory statements about me, and with the approval of Judge \_\_\_\_\_ and \_\_\_\_\_ somehow, managed to obtain four falsely produced protective orders against me, a non-violent person with no history of violence and no violent intentions towards anyone nor any of these \_\_\_\_\_ men. In the illegitimate and falsely produced protective orders, the four men wrote an assortment of false and defamatory statements and slanderous comments about me. I want the record to be clear and accurately reflect the fact that everything written about me in the four protective orders against me was inaccurate, incorrect, slanderous, defamatory, and a complete mischaracterization of who I am.

It was a complete violation of my civil rights when \_\_\_\_\_ County \_\_\_\_\_ Court Judge \_\_\_\_\_ and \_\_\_\_\_ of the Court \_\_\_\_\_ jointly reviewed and approved these illegitimate protective orders against me, which completely mischaracterized me as a person. With that said, it represented a level of irresponsibility and lack of accountability on the parts of Judge \_\_\_\_\_ and \_\_\_\_\_ and their roles in this matter at the court level. There should never be an instance, especially in a \_\_\_\_\_ Court, when someone who was framed for a crime is publicly defamed, constrained by unnecessary protective orders, and have his name slandered, and that is exactly what happened to me in this situation.

On \_\_\_\_\_, I was framed for an assault charge for which I did not commit nor intend to commit. The individual who claimed to be assaulted in the incident, \_\_\_\_\_ and the \_\_\_\_\_ men, \_\_\_\_\_, and an additional unknown male friend of the others, who all accompanied \_\_\_\_\_ lied to law enforcement about the entire incident and provided false testimony, false accusations, and false allegations against me to \_\_\_\_\_ Department \_\_\_\_\_ at the scene. The incident began when words were exchanged between \_\_\_\_\_ and I, \_\_\_\_\_ initially physically instigated the altercation with a violent shove to my back while I was carrying groceries in both hands pushing me forward almost causing me to fall into the street, I defended myself against him and then the unknown male friend who accompanied him threw a closed fist punch at me and I then proceeded to defend myself against him while I was still holding groceries in both hands and then the altercation was broken up by a group of bystanders. I was forced into a situation where I needed to defend myself and I did, I did not have any intentions of fighting these men nor harming anyone at the incident. Furthermore, the five men lied to law enforcement and provided false testimony, false accusations, and false allegations against me and about the entire incident to \_\_\_\_\_ Department \_\_\_\_\_. I was then falsely charged, framed, and arrested for assault while the \_\_\_\_\_ aggressors involved in the altercation and the group of \_\_\_\_\_ men as a whole were unjustly not held accountable by law enforcement for their involvement in the incident and the crimes they committed against me. Following the incident, the group of the \_\_\_\_\_ men collectively went to \_\_\_\_\_ County \_\_\_\_\_ Court, picked up protective order forms, and provided false testimony and lies, slanderous comments, defamatory statements about me and the entire incident and situation, and with the approval of Judge \_\_\_\_\_ and \_\_\_\_\_ somehow, managed to illegally obtain four falsely produced \_\_\_\_\_ against me, a non-violent person with no history of violence nor any violent intentions towards anyone nor any of these men.

In addition to these illegitimate protective orders defaming and slandered my name and reputation, Judge \_\_\_\_\_ and \_\_\_\_\_ also approved parts of these protective orders which disallowed me from accessing certain parts of my school, The \_\_\_\_\_, including The \_\_\_\_\_ and other areas of the university as well, which subsequently and completely violated my civil rights. The primary reason I was attending The \_\_\_\_\_ was to learn and obtain an education from the College of \_\_\_\_\_ and I did exactly that and graduated with \_\_\_\_\_ degrees.
